## Key Selling Points

- Mobile scanning made easy
- A portable solution
- Highly versatile
- Fastest on the market
- Manage your workflow

## Product Features

Mobile scanning made easy

The DS-360W provides a cable-free scanning solution with a built-in battery and wireless connectivity for scanning to mobiles, tablets and computers.

A portable solution

Scan and manage your paperwork on the go with the DS-360W. Its compact and lightweight design means that it's ideal for carrying in a bag or even storing in a drawer. It can also be charged on the go via USB.

Highly versatile

Scan what you need, when you need it with the DS-360W. Capture documents at 300dpi in color and monochrome with absolute ease. When it comes to media, it's almost limitless with both single and double-sided scanning, the ability to handle card and paper between 52 and 230 gsm.

Fastest on the market

Speed through paperwork with the fastest portable business scanner on the market with a scan speed of 25ppm1 and 20-page automatic document feeder. With Super Speed USB 3.0 connectivity, transferring files is quick too. It's also possible to control the scanner from your smartphone or tablet with the free Epson Scan app.

Manage your workflow

Integrate your scans into the businesses' workflow with document capture pro. The DS-360W offers many 'scan-to' functions alongside document imaging features such as barcode recognition and zonal OCR-A/B support.

## Main Specifications
